Diversity in OA

OA respects our differences, yet unites us in the solution to our common problem.

Whatever problem you may have with food, you are welcome at a meeting, regardless of race, creed, nationality, religion, gender identity, sexual orientation, or any other trait.

There are many vantage points and/or paths to recovery within OA.

This year's Convention honors and celebrates **ALL** our members.

OA's Unity with Diversity Policy

The fellowship of Overeaters Anonymous encourages and promotes acceptance and inclusivity. All are welcome to join OA and are not excluded because of race, creed, nationality, religion, gender identity, sexual orientation, or any other attribute. We welcome all who share our compulsion. Everyone with the desire to stop eating compulsively is welcome in OA.

Please note: The Convention is Region 2's only major annual fundraiser, allowing us to carry the message throughout the year: holding conventions and assemblies, connecting local groups, supporting community outreach, and more. The past year has been historically significant, filled with challenges but also opportunities. **Please consider making an additional donation** to support the work of carrying the message of recovery to Compulsive Eaters who still suffer.

Region 2 of Overeaters Anonymous serves California, Hawaii, Mexico and Northern Nevada and exists to support individuals in need of recovery from compulsive eating through empowering all groups within the region.

Hosted by San Diego County Intergroup, Inc.
