

Do you remember **Lifeline Magazine?**

We would like your help **reinventing** the magazine into a **Blog** that will feature stories, podcasts, and multimedia (videos, art and photography).

Wanting to write? Get your **write on** with us on at one of these 3 repeating sessions.

Friday July 30 | 10pm - 1:30am EDT UTC -4/GMT -4

or Sat July 31 | 2-5:30PM EDT UTC -4/GMT -4

or Sunday, August 1 | 9am - 12:30 EDT UTC -4/GMT -4

Wanting to Video? Get your **video on** the OA.org Blog by telling your story in a multi-media way. Collaborate on ideas to create videos without breaking anonymity.

Hate to write, but have a story to tell? Record your story and upload it as a podcast. Actors are also needed to read the stories for podcasts.

Registration opens on July 12
